Susan L. Humbard, ERPA, QPA, APR MANAGING MEMBER

Susan L. Humbard founded Advanced Plan Designs in 2011 after selling her interest in another TPA firm she founded and owned since 1998. She has over 26 years of experience working with retirement plans. Susan meets with business owners and custom designs plans that meet their company objectives.

In the previous 20 years she has been primarily responsible for the firms' sales and marketing efforts, which entails calling on a variety of networks and developing relationships with investment advisors, banks, wire houses, investment companies, and independent broker-dealers. Susan graduated from Missouri State University with a Bachelor of Science in Accounting and frequently speaks at seminars and other events with business owners, accountants, attorneys, financial advisors & other business groups on advanced retirement plan topics and other related business topics.

ABOUT US

Advanced Plan Designs (APD) is an employee benefits consulting firm in business over 20 years **designing retirement plans for companies large and small across the United States.** We are focused on delivering custom plan design and on-going administration for qualified retirement plans.

Our plans are tailor-made to accomplish your goals. While the right plan design will save you thousands of dollars each year, the wrong plan design can cost even more. It is our belief that your role is to run your business and our role is to run your retirement plan. In that role, we are constantly working to assure that all rules are being complied with, all legislative requirements are being met, the plan document is being followed and the plan is being maintained in operational compliance.

Our team will assist you from implementation to termination of your qualified plan. By offering plan administration and custom document design as our **ONLY** services, we are able to sharply focus our talents and attention on the details of managing your plan. Using our firm creates a simple but effective “check and balance” system. This offers you a greater degree of protection and oversight. **Let our “experience” work for you.**

WHY CHOOSE US?

EXPERTISE

Our team will assist you from implementation to termination of your qualified plan. By offering plan administration and custom document design as our ONLY services, we are able to sharply focus our talents and attention on the details of managing your plan. Using our firm, creates a simple but effective “check and balance” system. This offers you a greater degree of protection and oversight.

REAL SOLUTIONS

Many providers offer retirement plans, but Advanced Plan Designs offers “real solutions”. Our team will custom design a plan that meets **your** objectives. Each plan is tailor made to accomplish the goals you have established. We offer free proposals. While the right plan design will **save** you thousands of dollars each year, the wrong plan design can **cost** you even more. We offer the real solutions you have been looking for.

OUR PREFERRED VENDORS

Hear what our clients have to say...

"This company is awesome. Experts in the field, and they took care of us. Anything they could do, they did. We did very little on our end and provided a valuable benefit to our employees in compliance with all regulations, disclosures, and filings."

Kirk Bossert
CFO & Board Member, SFC Bank

"Advanced Plan Designs has served as our 401(k) plan administrator for 11 years. The staff at APD have always been friendly and professional, and we have great confidence knowing our plan is not only compliant but also customized to best suit our company's needs."

Mickey Moore
CEO, TOMO Drug Testing
